

Possible Solution

Look at the picture below and use it to answer the following statements.

a) Write the number and draw a picture of beach balls that has more beach balls than the number of beach balls shown above.

There are 12 beach balls. 13, 14, 15, 16, 17, 18, 19, and 20 are all more than 12.

b) Write the number and draw a picture of beach balls that has less beach balls than the number of beach balls shown above.

There are 12 beach balls. 0, 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, and 11 are all less than 12.
