

Possible Solutions

Mia's list for waiting until her brother has enough money:

- 1) He won't have to worry about how he will pay for it.
- 2) He can take his time and make sure he is getting a good price.

Mia's brother's response for waiting:

- 1) He won't get to enjoy it as long if he waits.
- 2) What if the TV he wants is out of stock by the time he has enough money to pay for it?

Mia's brother's list for not waiting, even though he doesn't have enough money to pay for it:

- 1) He can start enjoying it now if he doesn't wait (makes him happy).
- 2) This is a really low price.

Mia's response for not waiting:

- 1) What if he can't finish paying for the TV because he needs that money for something else?
- 2) There could be a much better deal a little later.
