

Strategies Based on the Relationship between Addition and Subtraction

The purpose of which is to build strategies for subtracting mentally.

$$672 - 498 = ?$$

Think Addition $498 + ? = 672$

$$498 + 2 = 500$$

$$500 + 100 = 600$$

$$600 + 72 = 672$$

174 The difference is 174.
