Hint

The equation gives you the rule to apply when generating the numbers in the pattern. The points on the graph should match the numbers in the pattern.

$$y = 2x$$

$$y = x + 3$$

$y = 2x$

(Input) x	Rule $y = 2x$	(Output)
0		
2		
3		
4		
5		

$y = x + 3$

(Input) x	Rule $y = x + 3$	(Output)
0		
2		
4		
7		
8
